FRAMELESS SHOWER
DOOR HINGES

PROFESSIONAL GRADE

The **FHC Venice Series “Heavy-Duty” Frameless Shower Door Hinges** have a industry standard square edge design and profile for use with 3/8" to 1/2" tempered glass. Four popular finishes to select from along with custom plated finishes also available upon request. The Venice Series Hinges are offered in five wall mount and three glass to glass mount configurations that supports traditional rectangular style glass cutouts along with the preferred “mouse ear” cutout option. All hinges come with a reversible 5 degree pivot pin that doesn’t require special tools for jobs that require a firmer positive position against the jamb or seal. All FHC shower door hinges are made from solid brass construction with a “state-of-the-art” plating process. All internal components are stainless steel construction with no internal plastic parts for longevity.

- **Heavy-Duty Square Body Profile 3-15/16" Tall**
